I'm kind of obsessive when it comes to sex. I've been extremely sexual for a long time and if my partner isn't up to the task, then I gotta get me another partner. I don't think I'm too demanding, just a wee bit obsessive.

A photograph of a man and a woman in a sexual scene. The man is on top, leaning over the woman who is lying on her back on a green couch. He is shirtless and has a tattoo on his left arm. She is also shirtless and has her mouth open in a scream or moan. The scene is intimate and explicit.

I once told my partner that I wanted to do all 64 positions in the Kama Sutra. So, we started on a Friday night and ended sometime on Sunday. Now that was fun and I even learned some new things, but we also added another dozen or so ourselves. Maybe they'll have to revise it.

40+: Hi Emilianna. We've been looking forward to getting photos and a video of you.

Emilianna: It came through the grapevine that you were looking for some stuff on me. When I found out, I called a couple people and I see that you got the photo set and video. I can't wait for the issue to come out. If you like, you can put me on the cover.

Dear 40+,

We left for dinner and found us a small place not far from the hotel we were staying at. As we were entering, a couple was leaving and one would have thought Monica had found a long lost relative. The two women hugged and Monica introduced me to her. Lara was the woman who shared the cubicle at work next to Monica. Lara smiled as we shook hands and told me that Monica had told her all about me.

Lara then introduced her partner, Roman, to us. Lara was a bit older than us. Her boobs were twice Monica's and well formed. Both girls dressed almost alike. Tight dresses and flip flops. Roman said that they were headed back to their hotel and to enjoy the food, it was great. Indeed, dinner was great, almost as great as the fucking Monica gave me back in our room. In the morning she once again woke me by sucking on my cock until I was hard and didn't want her to let me go to work. But she sent me off to my meeting with another kiss and a squeeze of my cock. Returning that afternoon, I headed down to the hotel pool with my cold beer.

This time I found Lara there as well in the chair next to Monica. Monica had on her little swim suit. As I sat facing her, she took her legs off the chair and placed them on either side of it giving me a full open view of her sweet pussy. She said that she was glad I was

back and that she and Lara had spent the day together again. Lara's suit was not quite as small as Monica's but did show a lot of boob. Her nipples were hard and I took pleasure in having her see I was looking at them.

What she did next was surprising. She placed both legs on the side of her chair and lifted her suit bottom to show her bald pussy like Monica. Smiling directly at me, she said that Monica told her that I'd like to fuck her. Then she said... "Interested?" I looked at Monica and saw her smiling at me. They each took my hands and pulled me into the hotel and up to our room.

To the Editor,

I'm a 42-year-old, two-time divorcee who is so disappointed with men that I refuse to date them anymore. I have not yet tried to date any women because I do not see myself as a lesbian. So I'm stuck writing to you to get my sexual frustrations verbalized. I found this magazine in the stuff my last husband left. When I saw the title **40+**, I laughed because that's what I am. I looked through it and while the pictures were nice, I thought to myself that my husband and I never had sex like these people in the pictures. Now there is no husband. No man.

Unfortunately for me right now, I'm the kind of woman who needs a good fucking on a regular basis. I recently went out and bought myself a couple vibrators. Actually, one was a vibe and the other was a dildo. The dildo is large and fleshy with a suction

cup base. The sales girl at the sex shoppe convinced me that it really felt good, so I decided to try it. Fortunately, I now live alone and can do whatever I want, whenever I want. I've developed a bit of a sexual routine to get me off, twice each time. Once with one toy and the next with the other. I start with the vibrator on my clit and turn it on – low at first.

The soft vibrations stimulate me to a clitoral climax and then, after a very short ten minute break to let my clit stop buzzing, I pull out the big boy and take it with me into the bathroom. I pour myself a nice glass of wine; put some warm water into the tub, because that's where I'm going to end up after I cum, and stick the dildo onto the rim of the tub. That way I can straddle the tub, one leg in and one leg on the bathroom floor. Then I bend over both arms down and out grabbing the rim to support myself as I back my butt down onto the dildo. I'm still wet from the vibe action minutes ago so it slides in to me pretty easily. I go up and down on it from many positions and after I climax again, I slide into the tub and melt my cares away.

I have to tell you, this is actually great sex, if you don't miss a real person to share it with. But then real people come with baggage I don't want to deal with at the moment. I'm sure that after a while I'll change my mind again and seek out happiness with real flesh and blood, but for now I'm happy with the two guys I've got. I may just try this with a woman. That way thee only cock involved is fake, but the pleasure should be real. If I ever do that, I just may drop you a line and let you know how it went. Thanks for letting me vent a little.

– *Melanie, Raleigh*

40+ Editors,

Sometimes one-on-one relationships are much harder than they should be. I mean, it's only one person, but that can be a major handful and that's something I'm not ready for just yet. Now that that's out of the way, I can tell you and my little adventure within a week of splitting with my ex.

I was by the pool at my apartment complex talking with this dude and lamenting about not being laid in a week since my girlfriend left me. He laughed at it being only a week and I told him I was real horn dog, and wanted it bad all the time. He told me that he'd get me some hot pussy. Not just one, but two chicks. I laughed and said, "Yeah right." Who goes around knowing two hot pussies willing to fuck a stranger?

It's now another week without pussy when the guy calls and says he has a 40-foot catamaran anchored at the marina. He asked if I wanted to go out on the ocean with him. No mention of girls, but I agreed anyway. Got to the marina and found him and his boat. Not bad, I thought. It was a double-hulled beauty with a small cabin on top of it. Nothing fancy but nice. A small deck went around it and I stepped on and we set off into the still waters of Marina Del Rey.

Dear Editors:

I know that it's not right to fall into love with someone in pictures, but I have. I love her pictures and I loved her video. And I love her name Ryder Skye. It almost sounds like an invite to ride her and she'll take you to heights not known before. Your body is perfect, your face divine. Your pussy is bare and your tats are fine with me. I hope there will be a day we can meet and I can express more of what I feel. In the meantime, I'll enjoy your photos and your video over and over again.

– *Robert, Toledo*

We get out past the breakwall and he turns off the engine and offers me a beer as we drift. I settle back on a built in bench and take in the sights. A moment later a half naked girl comes out of the cabin. She is topless with great breasts and figure and is really pretty to boot. She bends down and takes two beers and introduces herself as Lisa. My mouth is hanging open, and it gets even wider and another smokin hot chick comes out of the cabin with just a bikini top on. It's the other half of Lisa's. Her name is Laura. No way is this really happening, I thought to myself.

We both watched as Lisa undid Laura's top and pulled it off. Then, I kid you not, a third girl comes out, totally nude and goes over to my host and cuddles with him. I hear her say "Is this the guy?" He nods. She introduces herself as the longtime girlfriend. No name, just girlfriend. Then she says, waving her arm across her chest, "These two are for you." With that, Lisa and Laura come over to where I'm sitting and, in unison, each puts a hand on my thighs and up my board shorts. One grabs my cock and the other my balls. Pulling their hands out they pull down my shorts leaving me in just my sandals. His girlfriend says to the girls, "Wow, that's a big cock, but how does it taste?" The two girls then kneel in front of my hard dick.

Laura says, "This is a sure pretty cock and it sure tastes good. Wow! I can barely get the thing in my mouth. You have a bigger mouth, you try it..." to Lisa who then starts sucking on my cock. "Mmmmm." she says, and Laura joins her. I look down to see two hotties sucking on my cock. Then look over to my host and his girlfriend is doing the same. Damn! I thought to myself.

Then Lisa sits on the bench seat up front and Laura guides my hips over to her so

she can continue sucking me. Laura then pushes my shoulders down so that I have to catch myself on the railing just behind Lisa's head. She then kneels down behind me and reaches between my legs and grabs hold of both my balls.

With her other hand she opens Lisa's legs and sticks a long finger into her friend's wet pussy. I'm holding onto the railing with both hands so I don't fall over or overboard. This is un-fuckin-believable, I think to myself. But I don't revel in my pleasure for too long.

Suddenly, Laura takes the finger she just had in Lisa's pussy and sticks the tip into my butt hole. I jerk forward, cock deeper into Lisa's mouth. Then Lisa reaches behind me and holds my ass cheeks open as Laura twisted her finger in further. I bite my lip thinking I have to take it or this might end. As a matter of fact it felt good and I pumped hard into Lisa's mouth as Laura fucked my butt with her finger.

I exploded all over Lisa's face and Laura came around front to lick it off her as I watched. When they finished, they went over the girlfriend finish him off the host. Fuckin-A, I thought to myself! I need me a damn boat!

Dear Bella,

(Bella Blaze - 40+66)

I'm a lover of big boobs and I love your boobs. They make my blood boil and my cock gets really hard when that happens. I want it to be my cock in your pussy. I want your pretty lips to suck on my dick. And most of all, I want to cum between your big cushiony boobs just like the guy in the pictures. What do you think?

— Stephan, Buffalo

Okay, that was long enough. I did like the feel of a strange cock in my pussy and mouth. Just to lick around the head made me realize the difference. The length of the shaft, the feel of his balls. Now, I think I can get used to this.

A photograph of a man and a woman in a sexual pose. The man is standing on the left, shirtless, with his back to the camera. The woman is crouching on the right, facing the camera, with her mouth open and tongue out, touching the man's penis. She is wearing high heels and has tattoos on her legs. The background is a dark couch.

I think having a lot of sex keeps you young. I have to stay fit and take care of my body. I have to have different lovers to keep my mind fresh and willing. I think I'm going to enjoy this for a very long time. And if there are cameras around, I'm happy to have you watch.

the hills above Santa Barbara

We left Long Beach and headed up the coast on the 101 to spend some care-free days and nights in Santa Barbara. We had fallen in love with the place the last time we were there. Being able to walk on the pier and through the lovely city streets made us appreciate the city even more than before. Kourtney and I arrived after a leisurely three hour drive and settled into our hotel just off the beach.

Immediately we dropped our bags on the floor and changed into our swim suits and headed out to the beach. The waves were a little too rough so after only an hour, we headed back to the hotel room to relax a little before dinner. Five pm finally arrived and we were dressed and ready for the first night. We headed to a nice place just a couple blocks off State Street. When we arrived, there was a line to get in,

between me and them and had put down a couple screwdrivers so she definitely was feeling good and perhaps a little too flirtatious.

Every now and then, Kourtney would latch onto the song playing overhead and then jump off her stool and we'd turn around on our barstools to watch her gyrate. When she sat back down, I leaned over and whispered that she had an admirer. During the next song I reached out and began to run my hands over her body; from her shoulders down across her hips and on to her ass. She was moving and bending from side to side that one of her bustier straps dropped down, and a moment later the other strap fell off her shoulder. Everyone around the bar and the side tables couldn't help but notice.

Suddenly, Morgan got off his stool and grabbing David's arm, leaned in and told him they had to go. David initially ignored him, refocusing his attention back onto Kourtney. Morgan told David that he hoped his wife didn't find out about what he was doing. David immediately dropped his hands off Kourtney and leaned over to tell me that he was married. He shook my hand goodbye. David looked back at us with big puppy eyes as the two headed out of the restaurant. That meant I had Kourtney all to myself. We stayed for a few more drinks and some tapas so by two in the morning we were both pretty hot. We stumbled the few blocks back to our hotel. We were so hot, we fucked on a painted wooden bench in the grassy area in front of the hotel's flower garden.

We tried not to make too much noise, but when a couple lights inside the hotel came on near us, we pulled on our clothes hastily and went in, pretending nothing unusual had happened. Didn't fool anyone.

so we opted to sit at the bar. It was long wooden bar with ordinary stools, but nicely done. Kourtney had on a dark red lace bustier and a short black skirt. I loved showing her off and she was getting a lot of attention. There were two guys sitting next to us at the bar and I struck up a conversation with them. We learned their names were David and Morgan. We found out they were down from San Francisco setting up some lab experiments over at UCSB. Kourtney was sitting

We slept in for the better part of the next day because we were pretty tired and hung over from last night. I wanted to stay in bed and sleep a little more but Kourtney wanted to hit the beach. She settled for going down to the pool while I

stayed in the cool air conditioning of the room. After about an hour I woke up and decided to sit out on the balcony of the room. We were a couple floors above the pool, so I got a good view of the goings on there. I decided to see if I could find Kourtney at the pool. When I looked down, I saw she had "borrowed" a raft and was floating in the pool. She was wearing her tiny red bikini with only a couple square patches covering her nipples and a thin string running up between her butt cheeks. There were probably ten guys within a few yards of her, taking in every inch of her nearly naked body.

I decided to join her, but we'd go to the beach. After all, that was one of the main reasons we came up here. I brought a top and shorts for her to slip on and we headed for a secluded spot under some palm trees. I laid out the blanket on the sand and looked over at an older SUV parked a few yards away. The tailgate door was open and I saw a cute woman taking off her blouse and pull a bikini top over her head. She glanced up at me just as she was tying the strings. Kourtney looked over and at the woman and saw that she

was a really cute, about thirty with a tight body and a set of full, perky breasts that barely fit inside her bikini top. She smiled over at us and laid down next to a guy who was already on his towel.

After a half hour or so, we watched as the couple got up and started out for a stroll down the beach. Kourtney watched them walk away. Another half hour passed and then we saw them return and lay back down on their towels. Kourtney and I watched as they each took turns rubbing lotion on each other. The woman had taken her top off and laid down on her chest. I managed to get a few good looks at her bare boobs as she raised slightly letting him run his hands down her sides. It was a very good show and I was almost certain that some of it was for our benefit. They noticed us checking them out and after a few minutes the guy introduced himself and his girlfriend. His name was Alfie and hers was Rachel. They lived up in the hills and came to the beach on Mondays because it was her only time off.

We told them some of our story about living in Long Beach where I worked for the port authority and Kourtney was a registered nurse. We were enjoying their company and it soon became obvious that Rachel was a lot like Kourtney and liked to show off. The two ladies hit it off and were both laughing at the stares they got whenever they walked to and from the water. Alfie made a few comments to me about how he really liked Kourtney and I complimented him and Rachel. As the sun was going down, they asked us to join them for barbecue at their home. We said okay and he set the time at six. Kourtney and I were treated to another show as they changed out of their suits. Kourtney asked me if I thought they were swingers and I told her that I thought they were very nice and didn't think of that. But back in the hotel room, I told her that looking back, perhaps they were.

Kourtney dressed into her cute pink and blue striped shorty dress. She never wore a bra with it and when she walked it jiggled nicely from the weight of her boobs. She wore a lacy little panty under it that you could just make out when looking at her ass. We were hoping for a fun time that night. We found our way to their house up in the hills. It looked small from the street, but when we went in, it was large with a great view of the city below and Jacuzzi in the back. After dinner, a couple bottles of local wine, and the grill was closed down, Rachel asked if we wanted to soak in the hot tub. Of course we didn't bring our suits but she stood up, took Kourtney's hand, and led her out the door as she said that we were all adults. I watched as she undid her shorts and slid them over her hips, then pulled her blouse off. Kourtney followed her lead and soon both were stepping into the hot

tub. I looked over at Alfie and he told me to come on and join them, then he too stripped off.

The only one left, I got naked and stepped in along side of the others. We talked for a little while and I confessed that I enjoyed the little show Rachel had given me when we first pulled up to the beach earlier. Kourtney and I laughed and we began to tell them all about the fun we have been having over the years. It seemed like we found another couple that were just like us. When we were telling them how I enjoyed watching Kourtney with other men, they told us that Rachel had never been with anyone other than Alfie. Then she told us that while she's had oral sex with other men, she prefers ladies. Rachel then said that she was extremely attracted to Kourtney. My wife looked at me and saw my smile and then said she would love it. Rachel had Kourtney hop up on the edge of the tub and then she moved into position between her legs. Rachel used her tongue to bring Kourtney to several orgasms. She actually used her teeth at one point and captured her clit between them and seemed to be biting on

it. Kourtney was making noises I had never heard her make before. She was panting and almost fell over when the last orgasm hit her.

When Kourtney finally pushed her away, Rachel leaned over and kissed me, letting me taste Kourtney on her lips. Alfie then picked Rachel up like she was a feather and placed her over his hard cock. He began to raise and lower her up and down the length of his shaft. Kourtney slid back into the water and we held each other as we watched the other two make love. After Alfie had cum, Rachel slouched back against his chest to catch her breath. Seeing his thick cock split the lips of her slick pussy made me hornier. We watched as a few small drops of pearly white cum began to drip down his shaft. Kourtney leaned forward and licked each one as it flowed out of Rachel. She licked both of them for a few minutes, raising her butt up in the air as she did so. I was so horny that I couldn't wait and I slid my hard dick deep into her. I was fucking Kourtney and looking into Rachel's eyes as I came deep inside my wife.

We all climbed out and took turns in the outdoor shower. Afterwards Rachel looked at me and asked if I wanted to watch Alfie with Kourtney and I said I would. She put a big cushion on the ground and told Alfie to lie back on it. When he was stretched out, his cock was sticking straight up. Rachel told Kourtney to have fun as she came over and sat next to me to watch along side of me. We watched as Kourtney first took him in her mouth to get him nice and wet, and then lowered herself down onto him. I was enjoying watching her ride him, first facing him, and then she turned around and rode him some more. She put her hands on his thighs and began to really pump him faster. As she was doing this, Rachel reached over and took my hard cock in her small hand and began to stroke me. I came about thirty seconds before Alfie unloaded inside of Kourtney.

Rachel managed to give me a nice blowjob as Alfie and Kourtney caught their second wind and he fucked her over the dinner table. Then he had her push her boobs together and he pumped his hard cock between them until he shot his load onto her chest. Needless to say we were all pretty much wiped out after that. Kourtney and I said our good-byes and headed back to our hotel. We spent another day in Santa Barbara and headed back down the 101 towards Los Angeles. Kourtney and Rachel kept in touch and became fairly good friends over the next year. Alfie and Rachel decided to take the drive down the coast and spent a fun weekend with us in Long Beach. We're now trying to get our schedules together to spend some time with them in the hills above Santa Barbara.

CASSANDRA & DICK

I had a girlfriend in the adult business who always wanted my to get into it. I told her that I just couldn't do it. It seemed too nasty for me. She explained that you can do only what you want to do and whoever you want to do it with. I changed my mind.

My girlfriend convinced me to just play around with her first. I had never been with a woman before. So after a glass of wine and some reassuring talk, we made love and I really liked it. There was just something about a woman's touch that a man doesn't have. So I started out by doing women, then a threeway and then I had my first man on camera. It was really exciting, and I'm still excited doing it today.
